

Tips for Training Your Dog

Follow the tips below to start training your puppy or dog! Then, color in the dogs below!

1. Dogs don't automatically understand English. To get your dog to do something, show it what you mean before associating it with a word.
2. Reward your dog for being good. Instead of scolding your dog for chewing on your shoe, reward it for chewing on a toy.
3. Be quick with treats. Reward your dog immediately after they do something good.
4. Stay patient and positive! Your dog loves you and will do its best to earn your praise.
