

National Friendship Day

Color in the "good" and "bad" friend. What are some traits of a good friend? What are some traits of a bad friend? Use the word box below and write any traits that a good friend would have under the "good friend" or any traits that a bad friend would have under the "bad friend." Can you think of any more traits you would see in a good friend or a bad friend? Add these traits to the boxes below!

A good friend would (be)...

A bad friend would (be)...
