JOBS IN ILLUSTRATION CAREER IN THE ARTS

COMIC BOOK ILLUSTRATOR

A comic book illustrator is sometimes also known as a cartoonist. They create illustrations for comic books, comic strips, as well as cartoons.

COURT ROOM ILLUSTRATOR

Court room illustrators attend court and capture a moment in a drawing. These artists must draw quickly, and be able to capture a moment without individuals posing.

FILM STORYBOARDING

A storyboard artist is someone who can take a script, or another piece of writing and turn it into a drawing, or visual story.

FASHION ILLUSTRATOR

Fashion illustrators work with fashion designers and clients to create their visions into a drawing. They also can draw sketches of fashion shows and more!

MEDICAL ILLUSTRATOR

Medical illustrators have extensive medical training. They create drawings to help advance science knowledge for the public.
