

How To Make Pillows

*Safety message: please complete this project with adult supervision

Materials

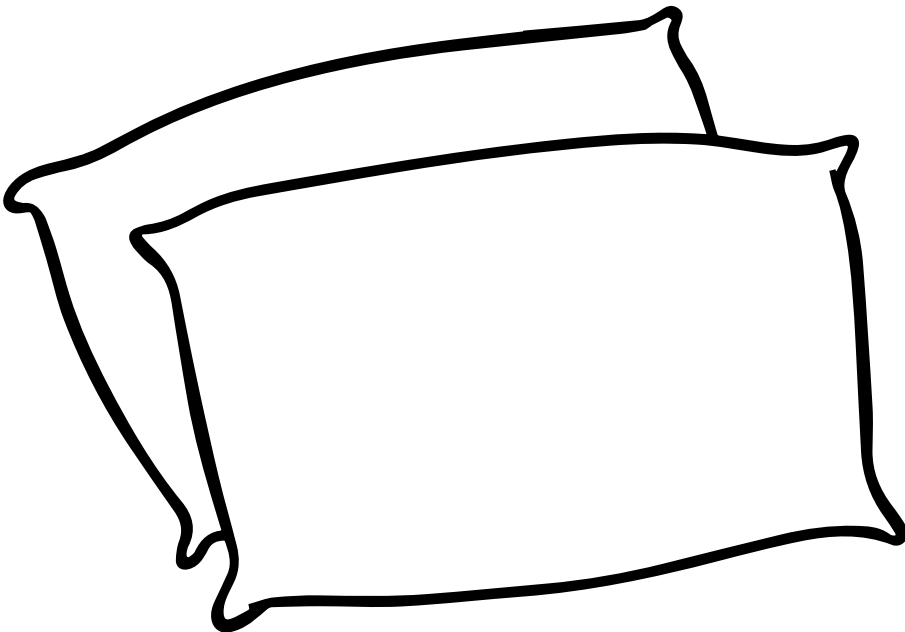

Fabric

Hot Glue Gun

Pillow Stuffing

Instructions

1. Take 2 pieces of fabric and line them up so that the pattern is facing the outside
2. Glue 3 sides down so that there is one side that is open
3. When the 3 sides are glued and dry, insert the pillow fluff to your liking
4. When pillow is stuffed, glue the 4th side (the opening)
5. Let 4th side dry completely, and decorate pillow however you'd like!

Use this area to create your designs!
