

Draw Your Own Portrait

Materials: pencil, eraser

1. Start with a circle.

2. Draw a straight line down the circle.

3. Connect the sides of the circle to the line.

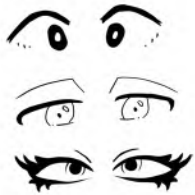

4. Draw horizontal lines for the eyes, nose, and mouth.

5. Use simple shapes to block out the features.

6. Block out the hair, ears, and neck.

Eye Examples

Mouth Examples

Nose Examples

7. Replace your blockouts with the eyes, nose, and mouth.
