**JOIN THE FUN WHILE PAINTING MURALS AT THE  
FISHTOWN RECREATION CENTER  
FRIDAY, JULY 18**

PHILADELPHIA, PA....Art Sphere Inc.'s first big summer mural painting event will arrive at the Fishtown Recreation Center on Friday, July 18 from 9 a.m.-1 p.m.! This is a wonderful opportunity for volunteers to pick up a paint brush and express their creativity while also making new friends and helping to revitalize an important community resource.

The Fishtown Recreation Center is located at 1202-32 E. Montgomery Avenue in Philadelphia. Volunteers from the corporate office of Anthropologie, children from the Fishtown Children's Summer Camp and students from St. Paul's Lutheran Church Middle School will be joining with community volunteers to paint walls, benches, playground equipment and even the trash cans to make the site a better place for children and families to visit.

This is a free, fun event for volunteers to share their creativity and make new connections. Folks who do not want to paint, but would like to photograph or cheer on others are also welcomed. Art Sphere will supply the materials and volunteers are encouraged to share their ideas and talents with us.

Changing lives through art since 1998, ASI is the only non-profit of its kind to deliver a range of artistic and human services to culturally underserved youth in the Philadelphia region. Through free art workshops, cultural events and community clean up days, ASI uses art as a strategic tool to educate and create meaningful experiences for people of all ages and motivate community members to maintain their neighborhoods as special places.
